

December 2011

## BRAND NEW! Spare part orders just a click away!

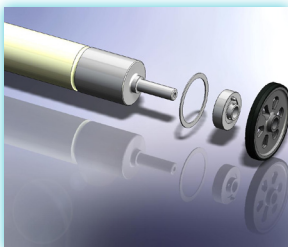

Glaston's brand new web shop - GlastOnline™ - is open!

- More than 1,000 stock items with images and specifications
- Tamglass & Uniglass spares including all relevant information: availability, price & delivery time
- Easy and secure to use
- Fast placement of orders
- Open 24/7
- Flexible payment methods: Invoice or credit card

GlastOnline™ will be introduced around the world in phases, starting with Glaston Tamglass and Uniglass spare parts to Europe, the Middle East and Africa region. Register and login at: <http://www.glaston.net/en/GlastOnline>

For more info, please contact Spare Parts Manager [Mr Jari Pohjolainen](#), e-mail: [jari.pohjolainen@glaston.net](mailto:jari.pohjolainen@glaston.net) , phone: +358 10 500 6221.

## Time to change ceramic rollers?

Why to choose Glaston rollers?

- Superior end cap technology
- A unique patented solution
- Increased furnace reliability
- Available from stock at competitive prices

To achieve the best benefits, we recommend to have the rollers and accessories changed at the same time. Our Ceramic Roller Accessories kit can be ordered with the ID Z100105.

For more info, please contact Spare Parts Manager [Mr Jari Pohjolainen](#), e-mail: [jari.pohjolainen@glaston.net](mailto:jari.pohjolainen@glaston.net) , phone: +358 10 500 6221.

## Maintenance breaks during holiday season — order spares in time!

Around Christmas and New Year, our Delivery Center Finland will serve you with spare parts and upgrade deliveries as follows:

- **Long/heavy items** (100+ kg): last shipment date from Tampere **15 Dec**
- **Courier service**, i.e. items less than 100 kg and max. 80 x 60 x 60 cm: last shipment date from Tampere **23 Dec 2011**.

On **27-30 Dec 2011** courier shipments will be collected as usual. Starting from **2 Jan 2012**, all shipments will run normally.
